MEMORANDUM FOR: Chief, Monetary Division

SUBJECT : Significant Monetary Information for  
the Annual Agency Financial Report  
of FY 1967

1. Attached is an excerpt taken from the Annual Agency Financial Report (FY 1966 - Part V) relating to monetary activities. It is requested that you review this excerpt and furnish us with your suggestions for improving the content and for any additional information considered appropriate for inclusion in the FY 1967 Report.

2. The following specific items of information are requested as standard contributions toward the preparation of Part V of the report:

- a. Copy of year-end report of Receipts and Disbursements of Confidential Funds
- b. A scheduled analysis of Funds Held by Monetary Division:
  - 1. Currency on Hand for Disbursing (G.L. Acct. 103) by Disbursing Office location
  - 2. Foreign Currency [REDACTED] (G.L. Acct. 125) by country and type

25X1A

3. To allow time for the review and consolidation of the foregoing with other financial information, we ask that the scheduled analyses be made available by 31 July 1967.
